Data to be Reported

Report any Membership or Policy Fees that are collected in addition to the rated premium for Voluntary Automobile experience, if these fees were not reported statistically in the Automobile Call.

Report fees collected in whole dollars only, for each individual state.

Report fees separately for liability and physical damage coverages. There is a form for Liability experience and a separate form for Physical Damage experience.

Report fees for the following classification groupings:

- Private Passenger Non-Fleet
- Miscellaneous Private Passenger Non-Fleet, which includes:
Motorhomes, Campers and Travel Trailers, Dune Buggies, All Terrain Vehicles, Amphibious Autos, Antique Automobiles, Snowmobiles, Golf Carts, Motorcycles and Named Non-Owner
- Other Than Private Passenger Non-Fleet/All Other Classes (any risk not included above)

For liability experience in certain states, a separate breakdown is required for 'Class 2 Risks' (Male Drivers under 25) and 'Age 65 and Over Risks' within the 'Private Passenger Non-Fleet' and 'Miscellaneous Private Passenger Non-Fleet' groupings. The forms indicate the states where this breakdown is required. For all other states, these fees should be included under 'Total All PPNF Risks'.

For liability experience in all states, a separate breakdown is required for 'Death and Disability' classes within the 'Other Than Private Passenger Non-Fleet/All Other Classes' grouping.
