Re: Assigned Risk Automobile – Louisiana Physical Damage Coverage Codes

AIPSO announced that revisions are necessary for private passenger automobile physical damage coverage codes in Louisiana. The combined comprehensive including collision coverages codes are being removed and replaced with separate codes.

NISS is revising the physical damage coverage code charts for Assigned Risk Automobile experience in Louisiana to reflect the above revisions, as shown on the following page.

These changes apply to new and renewal policies effective January 1, 2021 and subsequent. The coding on the attached pages will be reflected in the 1st Quarter 2021 revisions to the NISS Automobile Volume I Statistical Plan.

Very truly yours,
