Re: SDMS Call – Discontinued

The New York State Department of Financial Services has amended 11 NYCRR 140 and repealed 11 NYCRR 145 pertaining to private passenger and commercial automobile statistical plans.

In 11 NYCRR 140, insurers and statistical agents are instructed to monitor private passenger and commercial automobile statistical data in accordance with standards set forth by the NAIC Statistical Handbook.

11 NYCRR 145, which set forth the implementation of the private passenger automobile insurance Statistical Data Monitoring System (SDMS), has been repealed.

Please let us know if you have any questions or need any further information.
