RE: Michigan Voluntary Automobile – Other Than Private Passenger

No-Fault Subline Code Corrections

It has come to our attention that the subline codes set up for voluntary commercial risks in Michigan (announced in Bulletin No. 11-2021) were incorrect. These subline codes are used to identify policies which choose the option for no personal injury protection medical coverage.

Please see the attached page for the correct subline codes.

These changes are effective on all new and renewal policies effective on or after July 1, 2020.

The attached page will be included in the 2nd Quarter 2022 revisions to the NISS Automobile Volume I Statistical Plan.

Please let us know if you have any questions.

Very truly yours,

Theresa A. Szwast President & CEO
