Re: Assigned Risk Automobile – Child Restraint System Coverages for Arkansas, Illinois and Wisconsin

AIPSO announced that the Insurance Departments of Arkansas, Illinois, and Wisconsin have approved revisions of the private passenger auto coverages to introduce optional coverage for child restraint systems in conjunction with the child restraint system coverage endorsement.

The Arkansas Insurance Department approved these revisions effective September 1, 2020. The Illinois Department of Insurance and Wisconsin Office of the Commissioner of Insurance approved these revisions effective February 1, 2021.

NISS is revising the physical damage coverage code charts for Assigned Risk Automobile experience in Arkansas, Illinois, and Wisconsin to reflect the new optional child restraint system coverages, as shown on the following pages.

These changes apply to new and renewal policies effective September 1, 2020 and subsequent for Arkansas, and February 1, 2021 and subsequent for Illinois and Wisconsin. The coding on the attached pages will be reflected in the 1st Quarter 2021 revisions to the NISS Automobile Volume I Statistical Plan.
